

1. Click on “Settings” in the upper right hand corner of the page. If it is not there, navigate back to the main page by click on “Main” in the menu bar at the top of the page.

2. Choose “Appearance” in the upper left-hand corner of the page.
3. Click on “Edit Appearance Page”
4. NOTE: If you make a mistake, you can always revert back to your page's original appearance by clicking on “Return My Page to Default”.

5. Click on a different theme from the Classroom 2.0 themes. You can use the scroll bar on the right side of the window to scroll down and see all of the themes.
6. Click on “Apply Classroom 2.0 Theme”.
7. NOTE: You can change some of the themes settings at a later date, if you want to experiment.
8. Scroll down and click on “Save” to change your settings.
